also, when we were children, we were in
slavery under the basic principles of the
world. 4But when the time had fully come,
God sent his Son, born of a woman, born
under law, 5to redeem those under law,
that we might receive the full rights of
sons. 6Because you are sons, God sent the
Spirit of his Son into our hearts, the Spirit
who calls out, "Abba,[c] Father." 7So you are
no longer a slave, but a son; and since you

Jährlich werden mehr als 100 Satelliten auf Umlaufbahnen um die Erde geschickt, sodaß es inzwischen Zusammenstöße am Himmel geben kann – Verkehr fast wie auf der Erde.

Durch bemannte und unbemannte Flüge gelang es der modernen Astronomie, genaue Vorstellungen über die Entstehung und Entwicklung des Mondes zu gewinnen: seine Oberfläche, Zusammensetzung und das Alter der Mondgesteine können jetzt bestimmt werden.

Alles, was Menschen schaffen und zu erkennen glauben, entsteht zuerst in den Milliarden von Nervenzellen unseres Gehirns. Doch wieviel wissen wir wirklich über seine Funktion?

Umfassend, überschaubar, kompetent – aktuelles Wissen für die Welt von morgen. Für Sie.

Jeden Monat zeigt Ihnen bild der wissenschaft, wie aufregend, anschaulich und attraktiv das Wissen unserer Zeit ist. Experten aus allen Gebieten der Naturwissenschaft, Technik, Medizin, Ökologie, Psychologie und Raumfahrt informieren Sie zuverlässig und aktuell.

bild der wissenschaft erklärt Ihnen auch komplizierte Zusammenhänge auf verständliche Weise. Sie erfahren Ursachen, Entwicklungen und Fakten ohne tendenziöse Färbung. Sie erhalten Informationen, die es Ihnen ermöglichen, sich Ihr eigenes Urteil zu bilden.

Sie erfahren z.B., warum sich der Zustand unserer Flüsse seit 1972 erheblich verbessert hat und wie dies möglich wurde. Sie werden entdecken, daß Umweltforschung heute nicht in erster Linie die Reaktion auf Katastrophen und Unfälle ist, sondern daß sich Risiken mit geeigneten Untersuchungsmethoden frühzeitig erkennen und sogar vermeiden lassen.

bild der wissenschaft konzentriert die Flut sich ständig wandelnden Wissens auf das Wesentliche. Denn wer heute besser informiert ist, hat überall die besseren Chancen.

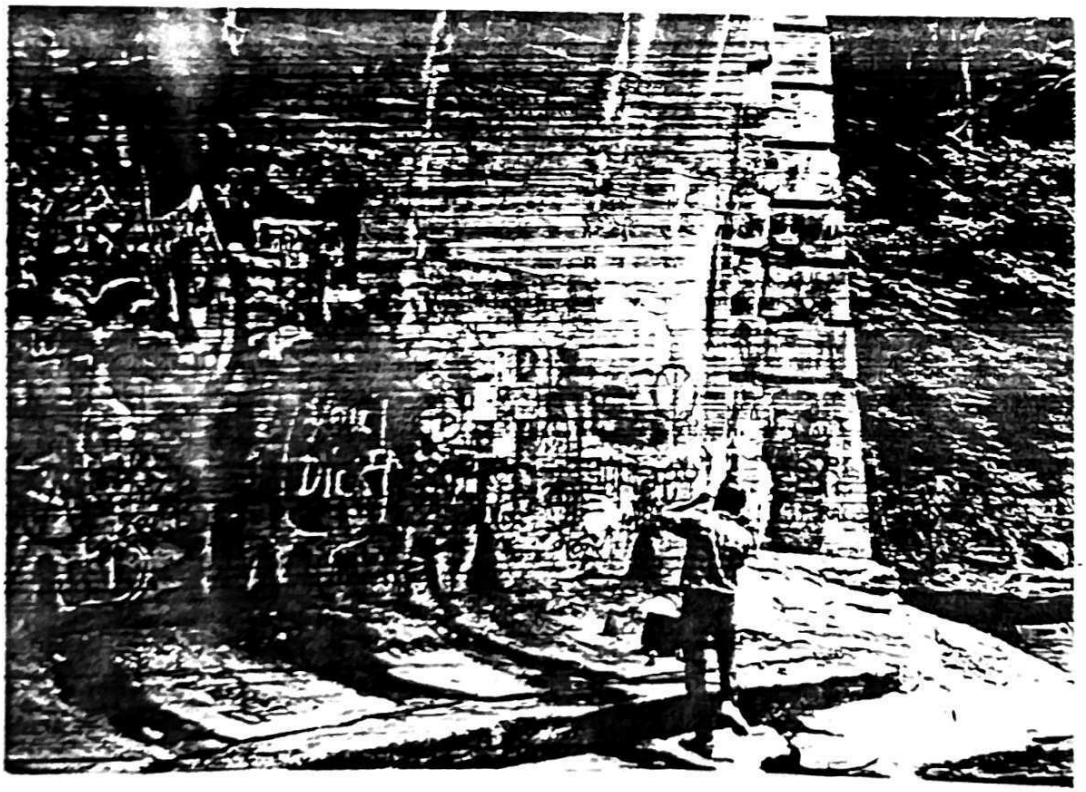
the concept of TENTATIVELY, A CONVENIENCE
TENTATIVELY, A CONVENIENCE is a name chosen/invented by TENTATIVELY, A CONVENIENCE
to refer to an international star who can be anyone.
the name is fixed, the people using it aren't.
what is usually an egotistical role ("star")
becomes abstracted by it's disassociation from a particular person
when someone thinks/feels that the star context/advantages might be useful
they can "wear" the TENTATIVELY, A CONVENIENCE identity.

the concept of TENTATIVELY A CONVENIENCE
is a name chosen/invented by TENTATIVELY, A CONVENIENCE
to refer to an international magazine with multiple origins.
the name is fixed, the type of magazines using it aren't.
the purpose of many different magazines using the same name
can be to experiment with creating a situation for which no one is responsible
- an organ of the *Generatia Positive* from no one in particular.
as such, it plagiarizes postal art network commonpress magazines.


the concept of TENTATIVELY, A CONVENIENCE
TENTATIVELY, A CONVENIENCE is a name chosen/invented by TENTATIVELY, A CONVENIENCE
to refer to an international music group which can be any group.
the name is fixed, the groups using it aren't.
what is usually something that groups feel possessive of ("their names")
becomes a tool similar to the TENTATIVELY A CONVENIENCE context.
